

# 6,000 LB. SINGLE COLUMN PARKING LIFT

*Now you can double your parking space.  
Safe, easy to use parking lift takes up minimal  
space yet doubles your parking.*

SP-6K  
Single column  
Parking lift

Shown with  
optional drip trays

## Features:

- ◆ 6,000 lb. capacity can handle most vehicles and light trucks
- ◆ Low profile approach ramps for vehicles with low ground clearance
- ◆ Lift can be installed to lift from left or right side
- ◆ Minimal footprint allows for multiple installations
- ◆ Low post height allows for low ceiling residential installations
- ◆ Commercial grade hydraulic cylinder and heavy-duty leaf chain
- ◆ Reliable DURO electric/hydraulic pump
