

INSTRUCTIONS FOR TALL & STANDARD DIRECTORS CHAIR

What's in the Box: (1) Tall or (1) Standard Directors Chair and (1) Carry Bag

Opening & Closing Your Tall Directors Chair

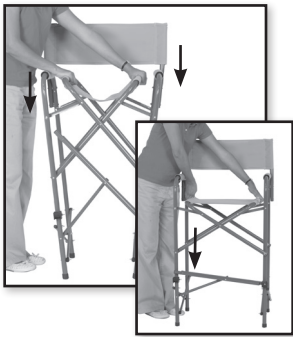

Opening Your Tall Directors Chair

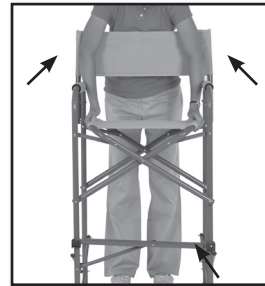

1. Remove chair from carry bag and place on a stable flat surface.

2. Tilt the chair slightly to one side and with both hands on the seat frame push down until the chair locks in place.

3. Ensure that hinged footrest is snapped into place.

Closing Your Tall Directors Chair

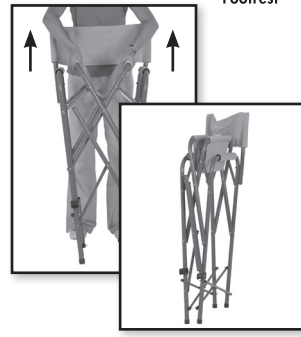

1. Before closing your chair, disengage footrest. The hinged footrest must be disengaged for the chair to close properly.

2. With the chair placed firmly on a flat surface, and the footrest disengaged, grasp each side of the seat frame. Bracing your forearms against each armrest, lift up until chair releases.

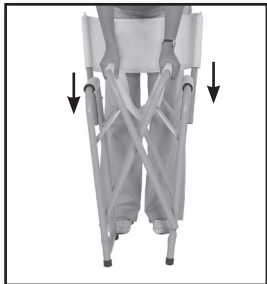

3. Continue to lift chair by seat frame until it is folded closed.

4. Place chair in carry bag.

Opening & Closing Your Standard Directors Chair

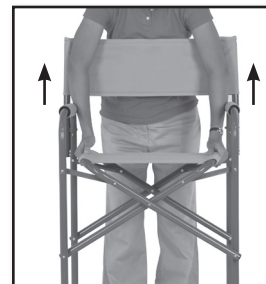

Opening Your Standard Directors Chair

1. Remove chair from carry bag and place on a stable flat surface.

2. Place both hands on each side of the seat frame and push down until chair locks in place.

Closing Your Standard Directors Chair

1. With the chair placed firmly on a flat surface, grasp each side of the seat frame. Bracing your forearms against each armrest, lift up until chair releases.

2. Continue to lift chair by seat frame until it is folded closed.

3. Place chair in carry bag.

Removing & Replacing Your Chair Back

Your directors chairs comes with a removable seat back. To remove the seat back, locate the screws on the back side of each seat post and unscrew, using a philips head screwdriver. To replace the chair back, simply slide the new back over the seat posts and insert screws in appropriate holes.

WARNING:

- This chair holds a maximum of 225 lbs. Exceeding this limit will damage the chair and may cause personal injury.
- Care should be taken to avoid tipping while seated.
- Use chair only on level ground.
- To avoid injuries to fingers, use care when folding the chair.

CARE INSTRUCTIONS:

- Spot clean only.
- Air dry.
- Do not bleach.
